無常御和讃

		一、	人の此の世の儂さは
			よみじにいそぐ露の身の
			しばしかりねの旅枕
		二、	あわれ常なき世なりけり
			昨日の人は今日はなく
			あえば別るゝ世のならい
			夜半のあらしに散る花の
			もろきは人の命なり

Hymn of Impermanence
(Mujō Goeika)

1. The fleeting nature of human life in this world:
Like dewdrops rushing toward the dark path of
the afterlife, Just a moment's rest upon
a traveler's pillow-Ah, truly, this is a world of
impermanence.
2. Yesterday's companion is gone today;
In this world, to meet is to part. Like blossoms
scattered by the midnight storm, So fragile is
the life of man.
